JOURNEY TO DREAM

2025/2026 Annual Report

A MESSAGE FROM THE CEO

NESA GRIDER

As I reflect on this past year, I am overwhelmed with gratitude for the incredible journey we have shared. Because of your unwavering support, Journey to Dream experienced one of the most impactful years in our organization's history, reaching a record number of youth through our programs and continuing our mission to embrace, equip, and empower at-risk, victimized, and homeless youth.

The foundation of Journey to Dream has always been the Dream Initiative, our school-based prevention and intervention program. This year, our team proudly delivered services in four public school districts and charter schools, providing life skills, crisis intervention, and hope to thousands of students. The results speak for themselves, with a 98% improvement in academic achievement and life skills development. Equally important, our staff intervened in 29 reported cases involving abuse, neglect, and self-harm, ensuring vulnerable youth received immediate support and connection to critical services.

At Kyle's Place, the only transitional living campus serving homeless and at-risk teens in Denton County, we continued to witness remarkable stories of resilience and transformation. This year, we celebrated two residents beginning their college journeys, while several others successfully transitioned into independent living, equipped with the confidence, skills, and support necessary to build successful futures. These milestones are powerful reminders that when young people are given stability, encouragement, and opportunity, they thrive.

This year also marked tremendous organizational growth. Journey to Dream earned two highly respected program credentials, further demonstrating our commitment to excellence and the highest standards of care. Our dedicated team continued to invest in professional development, earning advanced degrees, SAMA instructor certifications, CPR certifications, and other specialized training that strengthens the services we provide every day.

Perhaps the most exciting milestone of the year was turning a long-held vision into reality. Through the negotiated purchase of five acres of land, Journey to Dream officially launched the expansion of our services, increasing our future capacity to serve even more youth. Together with Ranch Hands Rescue, we are launching a new collaboration to provide a comprehensive continuum of care for youth ages 14–24. Together, we are building more than additional housing and wraparound services; we are creating lasting opportunities for healing, independence, education, employment, and long-term stability.

None of these accomplishments would have been possible without our dedicated staff, committed Board of Directors, generous donors, volunteers, community partners, and countless advocates who believe every young person deserves hope and a chance to succeed. Most importantly, we recognize God's faithful guidance and provision throughout every challenge and every victory. His blessings, combined with the compassion of our community, continue to make this work possible.

As we look toward the coming year, our vision is greater than ever. We remain committed to expanding our reach, strengthening our programs, and ensuring that every young person who walks through our doors finds safety, hope, and the opportunity to dream beyond their circumstances.

Thank you for believing in our mission and for standing beside Journey to Dream. Together, we are changing lives one youth, one family, and one dream at a time.

CONTINUUM OF CARE

TRANSITIONAL LIVING

Kyle's Place is the only Transitional Living Program (TLP) in Denton County, offering homeless youth ages 14–19 a safe place to land and a strong foundation to grow. More than a shelter, Kyle's Place provides a campus-like home where young people find stability, trauma-informed counseling, and practical life skills training.Every aspect of our approach is designed to foster safety, belonging, structure, and self-worth. These pillars not only reduce the risks of homelessness like involvement in the juvenile justice system or untreated mental health struggles but also give youth the confidence to build brighter futures. As the sole resource of its kind in our community, Kyle's Place shines as a beacon of hope. Here, youth are equipped with the tools, support, and encouragement they need to move from surviving to thriving stepping into adulthood with resilience and purpose

DREAM INITIATIVE

The Dream Initiative is designed in close collaboration with counselors, administrators, and other stakeholders to support at-risk students by creating a safe and inclusive environment where they feel seen, valued, and connected. The program fosters a sense of belonging and builds self-esteem, helping students recognize their strengths and potential. Through mental health awareness, practical coping strategies, and skill-building opportunities, the Dream Initiative equips students with the tools they need to navigate the challenges of adolescence, empowering them to thrive both academically and personally.

OUTREACH AND SUPPORT

Outreach and support programs play a vital role in strengthening communities by investing in the development of youth. These initiatives create safe, inclusive spaces where teenagers can connect with peers, mentors, and community leaders while exploring their identities and navigating life's challenges. By fostering meaningful relationships, providing educational resources, and encouraging active community engagement, teen outreach programs not only empower young people to build essential life skills and enhance their emotional well-being but also cultivate a stronger, more connected community for all.

THE FUTURE OF JTD

LOOKING TOWARDS THE FUTURE

The future of Journey to Dream is defined by growth, innovation, and an unwavering commitment to ensuring every young person has the opportunity to thrive. Through the Homes for Hope Capital Campaign, we are expanding our capacity to provide safe housing and comprehensive, trauma-informed care for youth experiencing homelessness, abuse, and exploitation. At the same time, the continued growth of the Dream Initiative will allow us to reach more underserved youth through school-based mental health services, early intervention, and homelessness prevention. Together, these transformational initiatives will create a stronger continuum of care meeting youth where they are, preventing crises before they occur, and empowering more young people than ever before to build stable, independent, and hopeful futures.

BUILDING HOMES

BUILDING HOPE

MENTIONABLE COMMUNITY PARTNERSHIPS

At Journey to Dream, we know that lasting change is only possible through the power of local community partners. Every life transformed is the result of compassionate partners who choose to invest in the future of our youth. Organizations such as Chick-fil-A, Witherite Law Group, Flower Mound United Methodist Church, King Metals, and countless other businesses, churches, civic organizations, and dedicated volunteers have become an extension of our mission. Their generosity, partnership, and unwavering belief in our youth make it possible to provide safe housing, mental health services, education, life skills, and opportunities that empower young people to build brighter futures. Together, we are building more than programs; we are building hope and creating a community where every youth is seen, supported, and empowered to thrive.

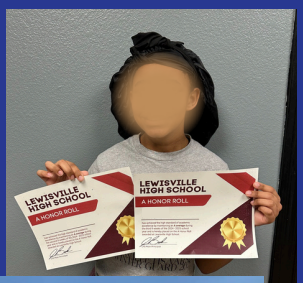
Since opening our doors in February 2017, Kyle's Place has provided more than 230,316 services.

Too often called the forgotten population, youth experiencing homelessness are growing in number all around us. They are the nation's invisible youth, at-risk, victimized, and overlooked. Behind every statistic is a young life fighting to be seen, heard, and safe. Our 2025–2026 service numbers tell a powerful story, underscoring both the depth of the crisis and the urgent need for compassion, resources, and hope.

KYLE'S PLACE - A PROGRAM OF
JOURNEY TO DREAM

KYLE'S PLACE

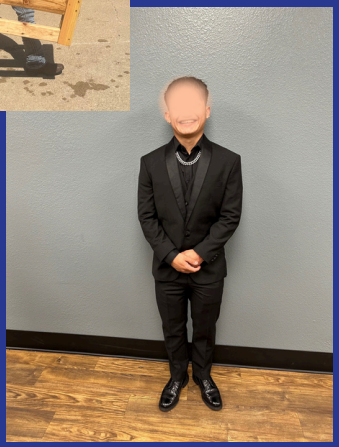
WHERE ARE THEY NOW



Sarah is headed into her second year as a student-athlete at a junior college, bringing six years of color guard experience between high school and college. She is pursuing a degree in Pre-Medical Sonography and plans to graduate with her associate degree in Summer 2027.

After graduation, Sarah plans to continue her education at a four-year university, though she is still deciding which school will be the best fit for her. She hopes to continue competing in color guard for as long as she can while pursuing her career goals.

Outside of school and color guard, Sarah works part-time as a waitress while maintaining a full-time student schedule. She is also working hard to save for an exciting milestone: purchasing her very first car!



Kyle's Place met Hunter when he was 16 years old. Now 21, Hunter has spent the past three years working in construction and recently reached an exciting milestone: moving into his very first apartment.

Hunter is also engaged to his high school sweetheart, whom he met at LHS. The couple has been together for more than five years. Through hard work and determination, Hunter also saved enough to purchase his first vehicle. Before purchasing his car, he rode his bicycle several miles to and from work each day, showing his commitment to building a better future.

Hunter's passion for construction continues to grow, and he hopes to one day become a contractor. His journey is a powerful example of determination, perseverance, and the impact of having the support and resources needed to pursue a brighter future.

KYLE'S PLACE

WHERE ARE THEY NOW CONTINUED

Natalie was always nurturing and supportive of her peers at Kyle's Place, naturally stepping into a role of encouragement and care. Today, she is a mother and continues to share that same love, compassion, and dedication with her daughter.

Natalie has always had a passion for teaching, and she recently experienced a full-circle moment by beginning her career in education in the same district that helped shape her, Lewisville ISD. Her journey is a beautiful reflection of how the care she once gave to others continues to inspire the next generation.

Kiley was adopted and became the eldest sister in a large and loving family. From a young age, Kiley developed a passion for cars, both mechanically and aesthetically. What started as a hobby quickly grew into a business.

Today, Kiley continues to work on cars while successfully running her own automotive photography business, turning her passion into a career and building a future doing what she loves.

DRIVER'S ED

Last year, 8 teens earned their driver's licenses! These teens completed 192 classroom hours, 112 hours of behind-the-wheel instruction, and an additional 240 hours of behind-the-wheel practice. This can be a lengthy process, as most teens must first obtain original documents such as birth certificates and Social Security cards. This process can take up to six months, but it is an important step in helping our teens establish their identities and build independence.

Witherite Law Group supports our teens on the road to independence by sponsoring Teen Driver's Education courses and helping them gain the skills and confidence needed to become safe, responsible drivers.

HIGHLIGHTS

- The number of active individual volunteers has grown to more than 100, including 57 advanced-cleared volunteers for Kyle's Place and 48 basic volunteers.
- During the winter storm, volunteers helped transport our teens and staff to and from work. Following the storm-related water damage, we received monetary and in-kind donations from several churches and community groups, with 17 volunteers helping sort, organize, and store all the donated items.
- Volunteers and partners from various churches and organizations are selected each month to be recognized for their involvement, passion, and commitment, with their contributions highlighted on social media. We also received testimonials from several volunteers and shared their stories on social media to recognize their valuable contributions.
- The Kyle's Place Cabbies team, consisting of 14 volunteers, consistently provides an average of five rides per week for our teens to get to work, church, school, activities, and other commitments, while also helping Kyle's Place reduce transportation costs.
- The Dream Initiative Program volunteer team of five volunteers assisted staff during program sessions, allowing students to build new friendships and strengthen their mental and emotional well-being.
- Way Alliance mentors provide one-on-one mentorship to Kyle's Place teens, helping foster their personal growth, confidence, and development.
- Several church partners, provided valuable support through graduation celebrations, life-skills classes, cleaning, yard work, home repairs, mentorship, summer fellowship, tutoring, painting, Christmas stocking preparation, supply drives, and many other projects throughout the year.

ANNUAL VOLUNTEER RECOGNITION

Journey to Dream was proud to recognize Darien Rentfro as our 2025–2026 Volunteer of the Year for his extraordinary commitment to our youth and our mission.

Darien is someone who consistently gives his time, talents, and heart to Journey to Dream. Whether he is sharing his amazing cooking skills, providing leadership and guidance through our Board of Directors, mentoring and encouraging our teens, or simplystepping in wherever he is needed, Darien is always willing to lend a helping hand.

His genuine connection with our youth and his willingness to lead by example have made a meaningful and lasting impact. Darien has a unique ability to make those around him feel supported, encouraged, and valued, and we are so grateful for the positive influence he has on the young people we serve.

Journey to Dream was honored to recognize Witherite Law Group as our 2025–2026 Corporate Volunteer of the Year for their extraordinary and ongoing commitment to our youth and our mission.

Their support goes far beyond financial contributions. The Witherit Law Group team consistently invests their time, energy, and heart into creating meaningful experiences for our teens. From mentorship and encouragement to special opportunities and experiences, they help our young people feel seen, valued, supported, and celebrated.

The experiences Witherite Law Group provides create something incredibly important for our youth: a sense of normalcy, belonging, and connection that they may not otherwise have the opportunity to experience. Their team continues to show up, build genuine relationships with our teens, and make a personal investment in their lives.

STAFF ACCOMPLISHMENTS

We are proud to share that CEO, Nesa Grider, LCCA, and Ravain Owens, LCCA, Director of Case Management, recently attended the annual Texas Network of Youth Services (TNOYS) Conference in Austin, Texas.

The TNOYS Conference is the premier gathering for professionals serving youth across Texas, bringing together leaders to learn the latest research, best practices, innovative strategies, and evidence-based approaches that strengthen services for vulnerable children and teens.

We are thrilled to announce that Nesa Grider was honored with the prestigious June Bucy Award, one of the highest recognitions in the youth services field. This distinguished award celebrates exceptional leadership, unwavering dedication, and significant contributions to improving the lives of youth across Texas.

We are incredibly proud to celebrate our own Ravain Owens, recipient of the 2025 Flower Mound Women in Business Mentor Award. Ravain embodies what it means to lead with compassion, purpose, and a genuine commitment to helping others grow.

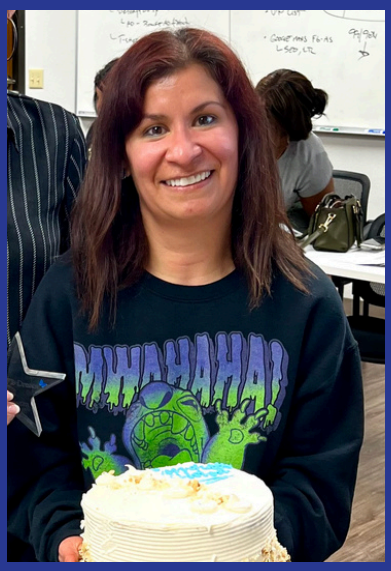
Through her work with the youth at Kyle's Place, she has become a trusted source of encouragement and guidance for teens navigating difficult circumstances, meeting each young person with understanding, honesty, and an unwavering belief in what they can become. This well-deserved recognition celebrates not only her professional leadership, but the countless lives she has touched through her dedication to serving others. We are so thankful for the heart, wisdom, and passion she brings to Journey To Dream every day, and we could not be more proud to call her part of our team.

STAFF ACCOMPLISHMENTS

Holly Ashby, Journey to Dream's Director of Finance, has officially earned her Bachelor of Business Administration in Accountancy from the University of Texas Permian Basin!

Holly's dedication, perseverance, and commitment to continued growth are truly worth celebrating. Balancing the demands of her leadership role while pursuing her degree is an incredible accomplishment and a wonderful reflection of the determination, discipline, and passion she brings to everything she does. Her hard work and commitment to furthering her education are an inspiration to those around her, and we are so proud to see her reach this important milestone.

Congratulations, Holly, on this well-earned achievement! We are incredibly proud of you and excited to celebrate this special moment with you. We can't wait to see all that you continue to accomplish!



This year, we are incredibly proud to honor Sharon Barrett as our Employee of the Year! Sharon has been a dedicated and valued member of the Kyle's Place team since the very beginning, and we couldn't be happier to celebrate her and this well-deserved recognition.

Sharon is the kind of team member you can always count on. She is dependable, reliable, compassionate, and consistently shows up for the kids in ways they may not even realize. Her dedication and commitment make a lasting difference in the lives of the children we serve and in the work we do every day.

Sharon brings so much heart to her role, and her willingness to go above and beyond is something we truly appreciate. She is not only an amazing employee, but an incredible person who makes our team stronger simply by being a part of it.

JOURNEY TO DREAM EVENTS

Boots and Bowties Gala

The Boots & Bowties Gala was truly one of the most meaningful highlights of our year. What began as an evening to gather our community and support our mission became a powerful reminder of what is possible when people come together for a shared purpose. We celebrated record-breaking attendance and fundraising, but beyond the numbers, we celebrated the incredible generosity, compassion, and belief in the young people we serve.

We are incredibly thankful to every volunteer, sponsor, staff member, community partner, donor, and guest who played a part in making the evening so special. From those who worked behind the scenes to those who showed up and gave generously, every contribution mattered. Your time, resources, encouragement, and willingness to stand beside Journey to Dream helped create an evening filled with hope and momentum for the future.

The generosity surrounding this event will continue far beyond one night. Your support is helping us move forward with an ambitious vision to expand our reach and serve 60 more teens across five new residential campuses. As we look toward what is ahead, we are reminded that we do not have to do this work alone. We have a community that believes in our mission and believes that every teen deserves a safe place to belong, the opportunity to heal and grow, and the chance to dream about a future they are proud of.

Thank you for believing in our teens, investing in their futures, and walking alongside us every step of the way. We are deeply grateful for the community that continues to show up for Journey to Dream. We truly could not do this work without you!

JOURNEY TO DREAM EVENTS

Women on Purpose Luncheon & Fashion Show

On May 14, 2026, the Women on Purpose Luncheon brought together an incredible community of women for an afternoon centered around connection, inspiration, and making an impact. Guests enjoyed a beautiful fashion show, uniquely designed raffle items, a marketplace highlighting local women-owned businesses, and delicious food and coffee that rounded out the perfect women's event.

The afternoon was filled with meaningful conversations, laughter, and stories of purpose, while attendees and generous supporters came together to raise money to further Journey to Dream's mission. More than an afternoon of fundraising, Women on Purpose was a celebration of the strength, compassion, and influence women bring to our community. The event served as a powerful reminder that when women come together with a shared purpose, they can create meaningful change for the next generation.

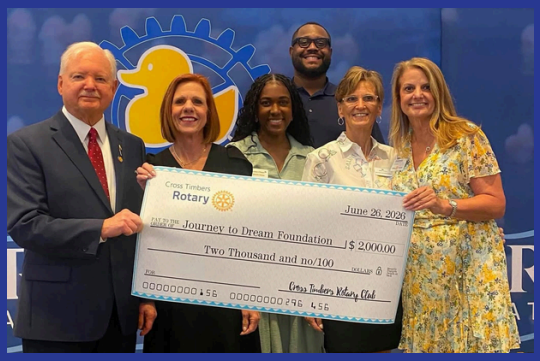
Shop With Cop

We are incredibly grateful to every police officer who supported our 2025 Annual Shop With Cop event and gave our teens an experience they will remember. Your presence, time, and kindness showed our youth that their community sees them, believes in them, and cares about their future. What you give extends far beyond a day of shopping; you help build trust, create positive memories, strengthen relationships, and give teens the opportunity to see law enforcement through a new and meaningful lens. Thank you for showing up with compassion, serving as positive role models, and making our youth feel valued and supported. We are honored to have you alongside us and deeply thankful for the heart you bring to this event and to the community you serve.

COMMUNITY SUPPORT

We are incredibly thankful to the Robson Ranch Women's Club for their continued support of our mission. Having partners who believe in what we do means more than words can express. Community partnerships like this are essential to keeping our organization strong and thriving.

Thank you Texas Motor Speedway Children's Charity for its unwavering support of our teens and for its continued generosity. Because of partners like you, our young people have a safe place to grow, heal, and chase their dreams. Thank you for believing in their potential and standing with us year after year.



We are incredibly grateful to the Cross Timbers Rotary Club for their continued partnership and commitment to Journey to Dream and the youth we serve. Your generosity helps provide teens experiencing homelessness and housing instability with hope, stability, resources, and opportunities to build brighter futures.

A huge thank you to the Flower Mound Rotary Club for your generous support and encouragement. We are incredibly grateful for your partnership and commitment to making a difference in our community.
Together, we are creating opportunities and brighter futures for the young people who need it most.

We are so grateful to Texas-New Mexico Power for continuing to stand behind Journey to Dream and believe in the work we do. Your generosity helps us show up for more teens with the support, resources, and encouragement they need to navigate life's challenges and see what is possible for their future. Thank you for investing in our mission and helping us create more opportunities for young people to dream, grow, and move forward with confidence.

COMMUNITY SPONSORED CHARITY EVENTS

Galentines

We had the most wonderful time at Galentine's on Main, hosted by Tulia Sage. It was a beautiful and thoughtfully curated evening, and we were incredibly honored to be selected as a c ommunity partner. We are deeply grateful for their generosity in donating the event's proceeds to support our mission. Their commitment to giving back made the evening even more meaningful, and we are so thankful to have been part of such a special celebration of community, connection, and generosity.

Bloom & Bubbles

Bloom & Bubbles was a wonderful celebration filled with community, connection, and plenty of fun. Hosted at The Shops of Highland Village, the event brought guests together to enjoy mimosas, coffee, Pilates, live music, and interactive experiences. Beyond the festivities, the event provided an opportunity to raise awareness for Journey to Dream and shine a light on the teens we serve. We are incredibly thankful to The Shops of Highland Village, our community partners, and everyone who joined us and helped make the day such a success.

Bike with the Blue

The Flower Mound Police Department continues to make a meaningful difference in our community through its commitment to giving back. Their Annual Bike with the Blue event once again brought together local volunteers, businesses, vendors, and sponsors to create a fun and impactful day in support of Journey To Dream. The incredible teamwork and support behind this year's event resulted in more than $10,000 being raised for Journey to Dream, helping us continue providing opportunities, resources, and hope to local teens. We are so thankful to the Flower Mound Police Department, along with the many sponsors, volunteers, and supporters who came together to make such a meaningful impact.
